Chennai, June 10: The city police is considering approaching the Indian embassy in USA to deport a software engineer involved in a dowry harassment case. The engineer in question is **Narayanan** (29), of **Alandur**, who was working with a top IT company in India. He married 28 year old Sangeetha, the daughter of Danapaul of Saidapet. The wedding was a lavish affair and Danapaul gave 35 sovereigns of gold and Rs 1 lakh as dowry. Initially, **Narayanan** and Sangeetha led a happy life. But after some time the couple began to quarrel and. **Narayanan's** family began to harass Sangeetha by not giving her enough food and asking her to do all the housework, the police said.

Meanwhile, Sangeetha got pregnant and could not work as much. Upset with the attitude of her husband's family, Sangeetha tried to commit suicide. Hearing this, Sangeetha's father Danapaul took her back to his house where she gave birth to a girl child. Sangeetha later decided to go back to her husband's house and live with him. But when she returned to her husband's house at **Alandur**, her mother-in-law Usha claimed that **Narayanan** had left home.

Sangeetha went to the company where **Narayanan** worked, where she was told that he had been promoted and was transferred to the company's facility in USA. The company gave Sangeetha her husband's telephone number. When she called up her husband, he asked her to give him Rs 1 lakh more as dowry, according to the police. Sangeetha then approached the St. Thomas Mount all women's police station, which unsuccessfully tried to contact **Narayanan** over the phone.

On Saturday, the police arrested **Narayanan's** mother Usha and produced her in the **Alandur** judicial magistrate court. Usha was remanded to 15 days judicial custody. **Narayanan's** father Shanmugam and brother Arun Kumar are absconding. The police have also filed an FIR against **Narayanan**, who is in the USA and is considering approaching the Indian embassy in USA to deport him back to Chennai.

Stalin writes to chiefs of civic bodies

Chennai, June 10: Local administrations minister M.K. Stalin has written letters to all the heads of the local bodies across the state urging them to ensure better public services and speedy completion of civic projects. The letters have been sent to 552 heads of the local bodies, including mayors of six corporations, 152 municipal chairmen and 385 panchayat union leaders. The letters signed by the minister read: "Let us join to make the local bodies emerge as the best organisations in the country."

Mr Stalin, who sought the co-operation of all the civic bodies, appealed specifically to the rural local bodies to become more vibrant and pointed out that 68 per cent of the people live in rural areas. Measures like ensuring collection of taxes and other fees on time, implementation of new initiatives to increase income of the local bodies, and cost-cutting measures would help the local bodies serve the people better, the letter said. Mr Stalin also urged the municipal and village panchayats to focus more on the areas of sanitation, drinking water, streetlighting and infrastructure.

He assured that he would get the necessary assistance from the state government for strengthening the local bodies. He also requested the heads of civic bodies to contact him through phone, or letter or in person for any assistance from the local administration department. It may be recalled that Mr Stalin had announced that all the powers of the local bodies that were curbed by the previous AIADMK government, including the Act forcing the Chennai Corporation to convene its council meeting once in three months, would be taken up with the state government, so that they could be restored to the civic bodies.
